

Ingredients:

- 1 cup distilled white vinegar
- 1 cup water
- 1 tablespoon baking soda
- 10-15 drops of your favorite essential oil (e.g., tea tree, lavender, lemon)

Instructions:

1. **Create the Base:**
 - In a mixing bowl, combine 1 cup of distilled white vinegar and 1 cup of water. This combination creates a powerful yet gentle cleaning base.
2. **Add Baking Soda:**
 - Gradually add 1 tablespoon of baking soda to the vinegar and water mixture. Expect a slight fizz, which is normal and helps with cleaning.
3. **Incorporate Essential Oils:**
 - Customize the scent and enhance cleaning properties by adding 10-15 drops of your favorite essential oil. Tea tree oil is known for its antibacterial properties, while lavender and lemon offer a pleasant fragrance.
4. **Stir Well:**
 - Stir the mixture well to ensure that the baking soda dissolves, and the essential oils are evenly distributed.
5. **Transfer to a Spray Bottle:**
 - Using a funnel, pour the natural all-purpose cleaner into a clean spray bottle. Choose a bottle with a fine mist setting for easy application.

Usage:

- Shake the spray bottle well before each use.
- Spray the natural all-purpose cleaner onto surfaces like countertops, sinks, and bathroom surfaces.
- Wipe clean with a cloth or sponge.

Benefits:

- **Versatile Cleaning:** Suitable for various surfaces in your home.
- **Eco-Friendly:** Reduce your environmental impact with a chemical-free cleaner.
- **Customizable Scents:** Personalize the scent with your favorite essential oils.
