

Eco-Friendly Furniture Polish Formula – Kindalame.com

Ingredients:

- 1/2 cup olive oil
- 1/4 cup white vinegar
- 10 drops lemon essential oil (optional, for fragrance)

Instructions:

1. **Mix the Base:**
 - In a small bowl, combine the olive oil and white vinegar. This combination creates a nourishing and cleansing base for your furniture polish.
2. **Add Fragrance (Optional):**
 - For a pleasant scent, add 10 drops of lemon essential oil to the mixture. Stir well to ensure even distribution.
3. **Transfer to a Container:**
 - Pour the mixture into a glass or plastic container with a tight-fitting lid. This will make it easy to store and use the polish.

Usage:

- Apply a small amount of the eco-friendly furniture polish to a clean, soft cloth.
- Gently rub the polish onto wooden furniture in a circular motion.
- Buff the surface with a dry, clean cloth to achieve a natural shine.

Benefits:

- **Natural Shine:** Olive oil nourishes wood, leaving it looking naturally radiant.
- **Cleansing Power:** White vinegar helps remove dirt and residue.
- **Optional Fragrance:** Lemon essential oil adds a fresh and uplifting scent.
